

IronForge Tools Co.

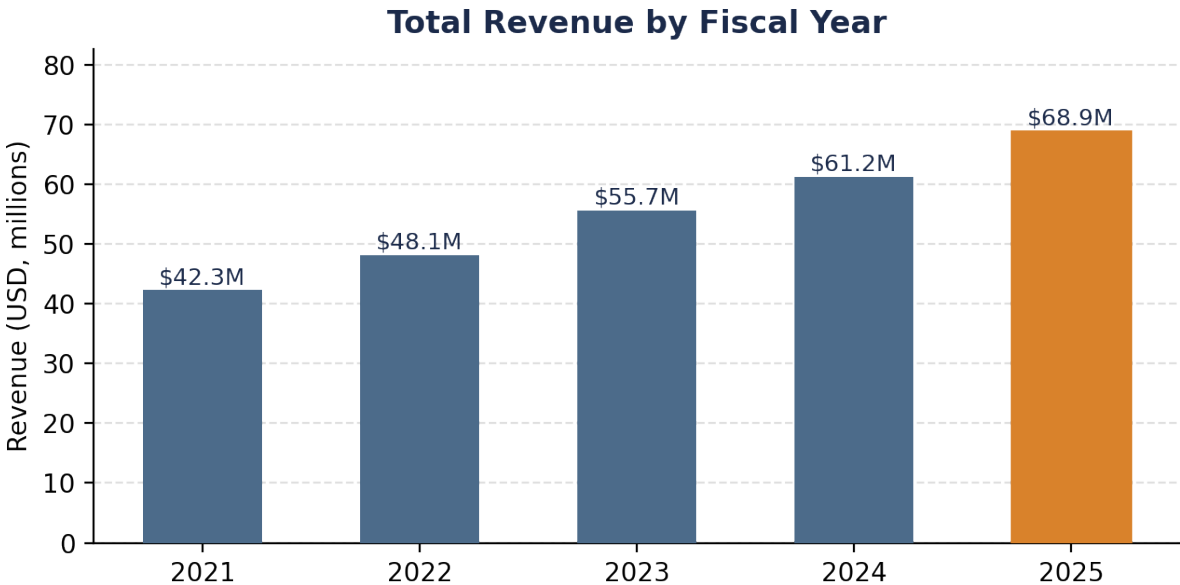

Annual Sales Performance Report — Fiscal Year 2025

Prepared by the Global Sales Analytics Team | Distribution: Executive Leadership, Regional VPs | Confidential — Internal Use Only

Metric	FY2024	FY2025	YoY Change
Total Revenue	\$61.2M	\$68.9M	+12.6%
Units Shipped	1,284,600	1,417,900	+10.4%
Active Distributor Accounts	2,340	2,588	+10.6%
Average Order Value	\$476	\$512	+7.6%

1. Five-Year Revenue Trend

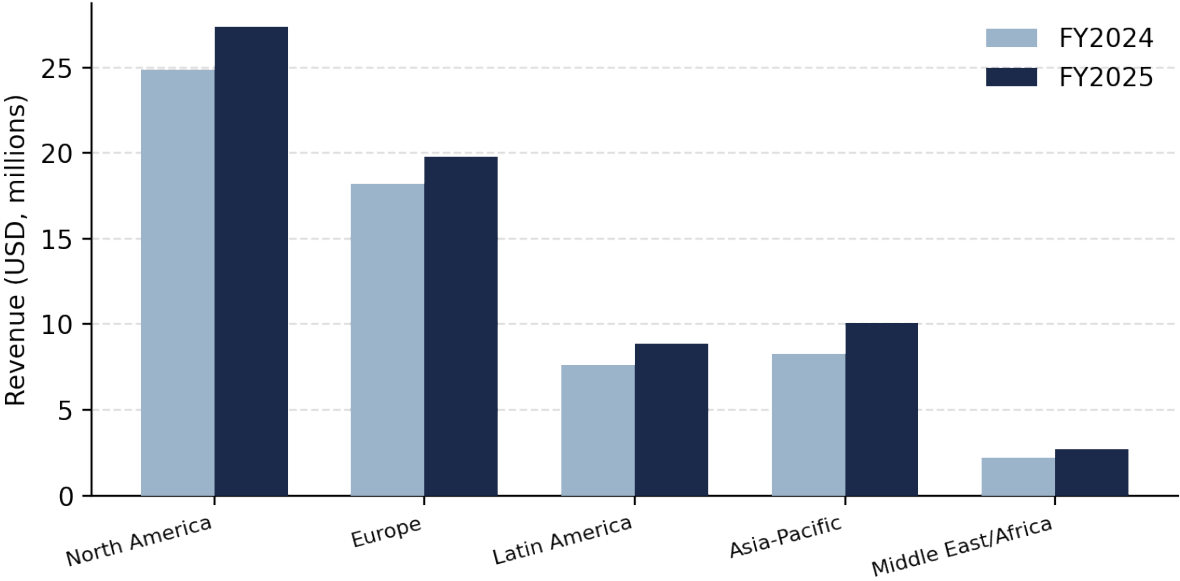

Total company revenue has grown at a compound annual rate of approximately 13% since FY2021, driven primarily by expansion in the power tools category and continued growth of the North American distributor network.

2. Regional Performance

North America remains the largest revenue contributor, accounting for roughly 40% of FY2025 sales. Asia-Pacific posted the strongest year-over-year growth rate among all regions, at 21.7%, reflecting new distribution agreements signed in Q2 FY2025.

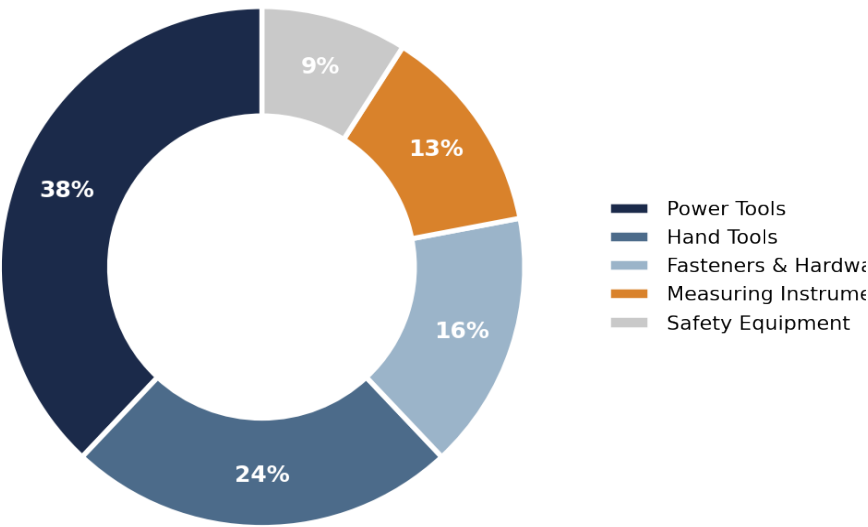

Regional Revenue: FY2024 vs FY2025

3. Product Category Mix

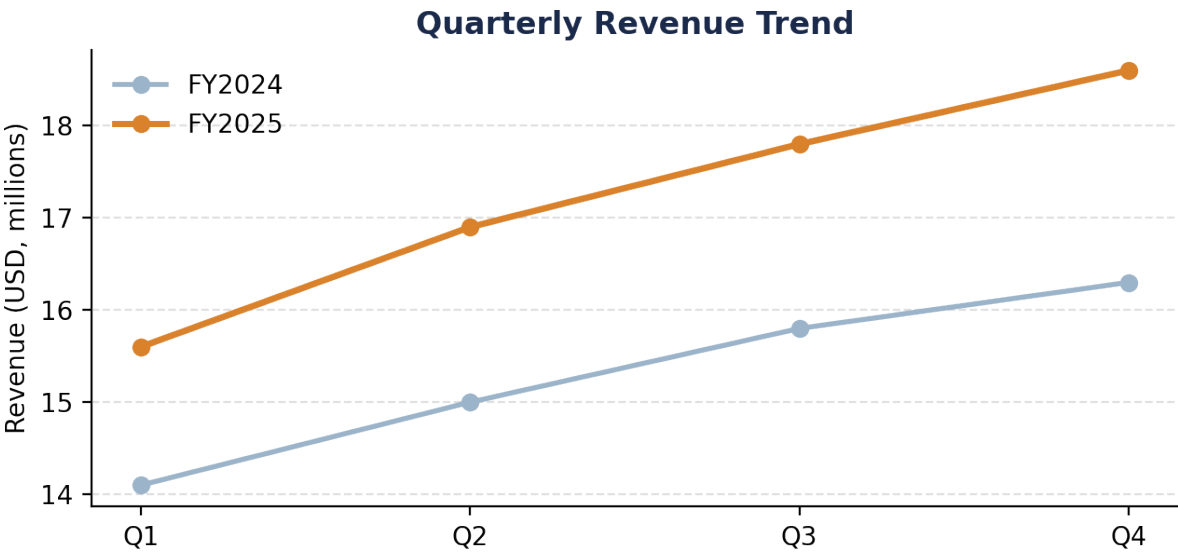

Power tools continued to be the dominant category, representing 38% of total FY2025 revenue. Hand tools and fasteners together contributed a further 40%, underscoring the breadth of the core catalog beyond flagship power equipment lines.

FY2025 Revenue by Product Category

4. Quarterly Revenue Trend

Quarterly revenue has shown consistent sequential growth throughout FY2025, with Q4 revenue of \$18.6M representing the strongest quarter in company history.

5. Top Regional Sales Offices

Office	Region	FY2025 Revenue	% of Regional Total
Chicago, IL	North America	\$11.2M	40.9%
Toronto, ON	North America	\$6.8M	24.8%
Hamburg, DE	Europe	\$7.9M	39.9%
Sao Paulo, BR	Latin America	\$5.1M	57.3%
Singapore	Asia-Pacific	\$4.4M	43.6%
